Atlantic

Thinking production printing?
Think Atlantic, Tomorrow's Office.

PLATINUM PRODUCTION PRINT SUPPORT

- On-site field support within 4 hours
- Pre/Post production support and training
- 100% of Field Support Engineers are EFI Fiery Certified Professionals
- Corporate member of the IDEAlliance International Organization
- 100% of Production Print Solution Analysts hold prestigious industry certifications
- Idealliance G7 EXPERT Certified Engineers on staff

ATLANTIC'S PREDICTIVE ANALYSIS

- Service Alerts are received when required parts are reaching threshold intervals
- Maintenance is scheduled at customer's convenience
- Monitor Site Stock – to make sure items that are nearing failure are on-site
- Error Alerts – when an alert is received the customer receives a call inquiring if service is required
- Once a call is completed, the customer receives a "live" call to confirm that the service provided met their expectations
- In the event that the customer is not satisfied, an additional service call is initiated, and a specialist is on-site with 24 hours to resolve the issue
- After the above service call has been completed, the customer will receive another follow-up "live" call to confirm all has been resolved
- Currently, we are achieving a 97% plus satisfaction feedback
- **HELP LIGHTNING** - Remote Expertise using Merged Reality that allows our remote experts to virtually reach out and touch what the service tech or customer is working on

GUARANTEED REPLACEMENT PROGRAM

For any new production unit purchased or leased from Atlantic (the "Unit") for which the Customer remains continuously covered under and compliant with an Atlantic maintenance contract, if Atlantic determines the Unit is not repairable to the manufacturer's published specifications, upon your written request, we will provide the following remedy:

1st YEAR: replacement with a new Unit

From end of the 1st year through lease expiration date*: replacement with a like Unit (with comparable usage)

*For purchases, the remedy applies for 3 years from the Unit purchase date.

Talk to the top

Atlantic's President, Larry Weiss, is accessible to all customers at **(212) 507-9411**

RICOH Digital Press

RICOH Pro C5300s/5310s Series

CAPTURE AND CAPITALIZE ON MORE OPPORTUNITIES

- High productivity with full-color output up to 80 ppm
- Exceptional image quality with VCWEL Laser resolutions up to 2400 x 4800 dpi
- Best-in-class media support for specialty stocks, oversized sheets and heavier weights
- Accurate registration and color consistency for higher-quality jobs
- Automatic duplexing up to 13" x 19.2" and weights to 360 gsm
- Intuitive user controls with a 10" Smart Operation Panel
- Expansive selection of finishing options for greater flexibility
- Choice of Ricoh and EFI Controllers to match workflows
- Integrate with Ricoh software solutions to create efficiencies that drive measurable results – from pre-press to job and device management
- ENERGY STAR certified for lower operating costs and sustainability goals
- User authentication and data encryption protect sensitive information

POWERFUL RICOH OR EFI CONTROLLERS TO MANAGE YOUR WORKFLOW

FAST HIGH-QUALITY VARIED RUN LENGTHS

- 2,400 x 4,800 dpi resolutions
- Media up to 470 gsm can be printed at 85 or 95 ppm
- Oversize sheet production supported
- Simplex up to 49"
- Auto duplexing to 27.5"
- Banner tray option to 38 inches

INLINE FINISHING OPTIONS
- BDT Oversize Sheet LCT
- Plockmatic oversize sheet stacker

RANGE OF FIFTH COLOR OPTIONS

- Improved Color Stability through Auto Calibration with inline-sensors
- Improved Registration through Auto Adjustment with inline-sensors
- Support White plus CMYK in single pass
- New Invisible red toner for security applications
- Wide range of fifth color options
- Improved 5th color application to extend color gamut

RICOH Pro C7500
Sheet-fed digital press

EXPECT MORE FROM YOUR PRINTER, FOR LESS

RICOH Pro 8300s
Black & White Sheet-fed Multifunction Printer

PRINTER-COPIER-SCANNER

- Cost-efficient
- Reliable
- User-friendly black-and-white print-ing, copying, scanning and sharing
- Capture, Store, and Share document securely
- Compact footprint

KEY FEATURES

- 96 ppm output speed
- 1M sheet Monthly Duty Cycle
- 52 to 300 gsm media stock
- Print on 13"x19.2" sheets
- Booklets, trifolds, posters, technical doc-uments
- Improved Contact Image Sensor(CIS) recognizes wider range of colored paper
- Data Security - User Authentication, SSL, HDD Encryption, DOSS Overwrite

FOR EDUCATORS AND ENTERPRISES IN-HOUSE AND ON-DEMAND PRINTING

INLINE FINISHING OPTIONS

- Commercial or in-plant print organizations
- Print up to 135 ppm in color/B&W
- Supports media up to 470 gsm
- Oversized output up to 13 x 49.5"
- Auto duplexing up to 40"
- 1M pages-per-month duty cycle

KEY FEATURES

- Fiery N70 FS500 Platform
- Fiery Controllers for end-to-end automated workflows
- New Banner tray option to 38 inches

OUTSTANDING IMAGE QUALITY

- 1200 x 4800 dpi resolution
- VCSEL technology for unsurpassed image quality
- Consistent color and coverage across pages and substrates
- Outstanding front-to-back registration
- Ricoh patented IQM
  - Color control with Auto Color Diagnosis
  - Defect detection with Image Quality Monitor

PROFESSIONAL FINISHING

- True trifold brochures
- Book wraps
- Packaging

High volumes with SPEED and RELIABILITY

- Landscape brochures, folder, and more
- Multiple substrates – linen, synthetics, metallics, clings

Ricoh Pro C9500
Graphics Arts Edition

GRAPHICS ARTS SERIES FOR VERSATILE, HIGH-MARGIN APPLICATIONS

Konica Minolta AccurioPress C14000/C12000e

BRILLIANT COLOR – AMAZING MEDIA FLEXIBILITY – HIGHEST DEGREE OF AUTOMATION

COMPREHENSIVE MEDIA PROCESSING
- Up to 450 gsm paper weight in Simplex & Duplex printing
- Long sheet size – up to 51" Simplex and 35.4" Duplex
- Thin paper feeding
- Envelope printing
- Textured paper support

HIGH PRODUCTIVITY
- A4 size paper up to 140 ppm
- A3 size paper up to 80 ppm
- 2.5M Prints Monthly Duty Cycle
- Automated media recognition
- Air-suction feeding technology
- Up to 14,140 sheets paper input
- Up to 10 paper trays

STATE-OF-THE-ART PRINT SERVER
- IC-610 Konica Minolta Controller
- IC-318 EFI FIERY® Controller
- IC-319 EFI FIERY Controller
- IC-316 CERO Controller

EFFICIENCY
- Automated engine linearization
- Automated duplex registration
- Automated profiling
- Real-time adjustments

ULTRA-EFFICIENT – HIGH PRODUCTIVITY- CMYK CUT-SHEET TONER PRESS

ALL-IN-ONE PRINT FACTORY
- 3,600 x2,400 dpi image quality
- 80ppm 8.5"x11"color – 44ppm 11"x14" color
- Long sheet printing up to 51" (simplex), 34" (duplex)
- Duplex printing media weights up to 360 gsm
- IQ-501 – automated image position, registration and color control
- Automated full-bleed output with TU-150 inline trimmer
- IM-01 Automated media detection sensor
- Ready-made print products
    - 50 sheet booklets
    - 300 page book binding
    - 100 sheet stapling/cutting
    - Full bleed banners and posters

Konica AccurioPress C4080/4070
High Speed Digital Press

INCREDIBLE PRODUCTIVITY & VERSATILITY

7136P/7136/7150
Digital Press

KEY FEATURES
- 136 ppm B&W Print/Copy Output
- 1200 x 1200 DPI resolution with 256 gray shades
- 3.24M sheet Monthly Duty Cycle
- Automated Closed-Loop Quality Management System
- High-speed, double-sided color scanning up to 240 opm
- 18K sheet paper capacity for long runs

SHARPER TEXT - DENSER BLACK FILLS SMOOTHER HALFTONE IMAGES

HIGH-QUALITY BLACK & WHITE OUTPUT AT HIGH VOLUME

KONICA MINOLTA
Digital Press

Konica AccurioPress C7100/C7090
CMYK Cut-Sheet Toner Digital Press

AGILITY THAT CREATES OPPORTUNITY
- 3600 x 2400 dpi image quality
- 90/100 ppm high-speed printing all media wights
- 8.27" x 8.27" up to 13" x 35.4" vacuum feed paper deck
- Print stocks from 52 to 400gsm with optional scanning
- IQ-501 Auto Inspection Technology for consistent color and registration
- Professional finishing options – saddle stitched books, bound books, GBC punching and wire binding, folded output, business cards postcards and more...

Wide Format

efi Pro 16h
Wide Format Hybrid UV LED Flatbed printer

- Substrates 65" x 2" Thick
- Near-photographic quality
- UV Inks - LED cool curing
- Auto duplexing up to 40"

LOW COST OF OWNERSHIP

- Print Speed: up to 76 ft² / hour
- CMYK plus Two White Channels for greater impact
- Print Resolution up to 1200 x 1200 dpi
- Four-level, variable-drop greyscale prints with Ricoh Gen 5 heads

CAPTURE MORE WIDE FORMAT MARKET SHARE

efi PREFERRED PARTNER 2021

efi Pro 30f
Everything you want in a true Flatbed Printer

KEY FEATURES
- Standard CMYK plus 2 White channels
- Dynamic curing LED UV lamps
- Print speeds up to 2,130 sq. ft./hour (198 sq. m/hour)
- Up to four levels of variable-drop grayscale
- Resolutions up to 1200 dpi
- Six-zone, user selectable vacuum system
- Handles flexible and rigid substrates up to 4" thick (10cm)
- Maximum printable area of 120" x 80" with bleed printing
- Maximum media weight of 400 lbs. (181 kg) evenly distributed
- One-year Enhanced Service Program (ESP) warranty covers printer, Fiery proServer Core and Fiery XF software
HIGHLIGHTS
- Large print area – 120" x 80"
- Bleed Printing
- Print on up to 4" thick media
- Industry leading White Ink printing
- Double-sided printing

efi PREFERRED PARTNER 2021

Wide Format

efi Pro 30h Wide Format Hybrid LED UV Printer

Hybrid flatbed/roll-fed entry-level Production Printer

WIDEN YOUR COMPETITIVE ADVANTAGE

- Add board and roll-to-roll print jobs
- 4 colors plus white standard with up to 1200 dpi resolution
- Magnetic linear drive for better drop placement and color gamut
- 126" maximum printable width
- 2" maximum media thickness
- 2477ft2/hr Express mode maximum speed
- EFI Fiery Digital Front end with production, color, and layout controls

UltraDrop™ TECHNOLOGY

ULTRA-QUALITY | ULTRA-CRISPNESS | ULTRA-CAPABILITIES

---

efi Pro 32r+

3.2-meter Roll-to-Roll LED Wide-Format Printer

- CMYK plus optional White or optional Clear ink
- Resolution up to 847 dpi
- Maximum productivity up to 2,835 ft² (265 m²)
- Quick and easy media loading
- Roll-to-roll, free-fall and multi-roll (2 rolls of 62.9 in/1.6 m)
- Integrated mesh kit
- Wrinkle analyzer
- Advanced software settings
- Backlit proofing lights
- Built-in lightbox
- Built-in Fiery® digital front end for the EFI Pro 32r+
- EFI - 3M™ SuperRange XF LED inks, including white

ECONOMICAL ALL-IN-ONE PRODUCTION LEVEL PRINTER

XANTÉ
X-UV Inkjet Flatbed Printers

- Resolution up to 2880 DPI
- Dual LED Lamps for Instant Ink Curing
- Print Variable Data and Sequentially Numbered items with independent color control (CMYK + WWWW)
- iQueue Workflow included
- Adobe PostScript 3 /PDF Workflow
- Independent CMYK Density Control
- Spot Color Matching
- Imposition, Digital File Editing

XANTÉ X-33
PRINT AREA 36" X 24"
6" THICK MEDIA

AMAZING QUALITY ON VIRTUALLY ANY MEDIA

XANTÉ X-55
PRINT AREA 55" X 50"
3" THICK MEDIA

Finishing Systems

Duplo DC-618 Slitter/Cutter/Creaser
All-in One finishing solution for shorter runs

- Slit/cut/crease and perforate in a single pass
- Delivers up to 23 sheets per minute
- Automated registration and changeovers
- Perforating and in-line folding options
- 8.26" x 8.26" up to 13" x 39.3" paper size
- 110-400 gsm paper weight

- Up to 6 slits per sheet
- Up to 30 cuts per sheet
- Up to 20 creases per sheet

SLIT-SCORE GREETING CARDS, "L" PERFORATED BUSINESS CARDS, ACCORDION CARDS

Duplo DPC-600 Digital Die Cutter
Cut, Kiss Cut, Score and Perforate without physical dies

- Air powered, variable jet stream Sheet Separation
- From 8.5" x 11" to 23" x 31" Sheet Size
- Up to 6mm Cutting Thickness
- CCD camera registration system
- Easy jog file preparation
- Versatile quadruple tool head
- Integrates with Fiery JobFlow for timesaving workflow

POCKET FOLDERS, CORRUGATED BOXES, FOAM BOARDS, CHIP BOARDS, PET PLASTICS, MAGNETS

Duplo DPC-400 Digital Die Cutter
Short–run packaging, custom-shaped cards and labels without physical dies

- Air powered, variable jet stream Sheet Separation
- Paper, laminates, adhesives and synthetic stock
- Up to 14" x 20" stock
- 200-400 gsm thickness
- Cut through knife, kiss cut knife, scoring wheel tools
- Automated registration and changeovers
- Integrates with Fiery JobFlow for timesaving workflow

LABELS AND STICKERS, PACKAGING, PROTOTYPE DESIGNS, SAMPLE PRODUCTION

Duplo DDC-810 Spot UV Coater
Design-driven, Raised Spot UV Solution

- Paper Size – Width: 11" – 14.33" / Length: 8.27" – 29.13"
- 5.9" feed capacity
- Paper Type: Art/Coated PP Laminated
- 157-450 gsm paper weights
- 35 sheets /min (letter size – 21 sheets /min (ledger size)

PRINT EMBELLISHMENTS WITH SPOT COATING, TEXTURE AND TACTILE EFFECTS

Commercial & Industrial

KONICA MINOLTA Accurio Label 230
Digital Label Printing

Enhanced Productivity and Flexibility
- Fast print speed up to 76 ft./min
- Short warm-up time
- Long continuous printing up to 1,000 m
- Wide media compatibility without pre-treatment
- Over printing capability with accurate registration
- Food grade safe toner
- Banner printing capability

Consistent Quality
- High resolution – 3600 x 1200 dpi x 8 bits
- Cutting-edge image processing technology
- Simitri HDE toner – high quality with energy-saving
- High quality screens
- Line thinning and edge enhancement technologies
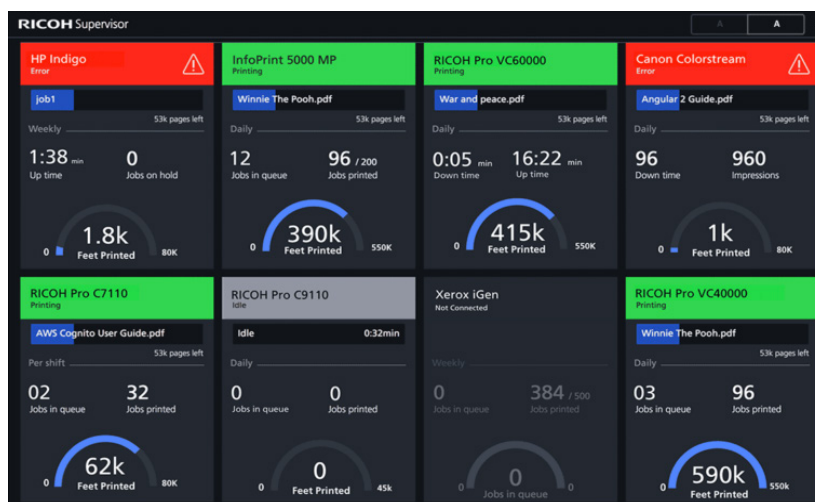

Ricoh Pro VC40000 / VC60000 / VC70000
Continuous Feed Inkjet Printers

Transition offset graphic arts work more easily with digital high-value applications like direct mail, brochures, sales collateral, catalogs, custom publications, high-volume store signage and more.

Take advantage of greater short-run and fast-turn efficiencies to compete for a wider variety of profitable work.

Software Productivity Solutions

RICOH Supervisor™

Always be aware of what is happening in your shop!

Cloud-based application that monitors and improves your print production environment.

- Collects and stores print production information for multiple printers to the cloud
- Provides near real-time summaries via customized visual dashboard
- Sends Notifications when devices are Idle or in Error State

Software Productivity Solutions
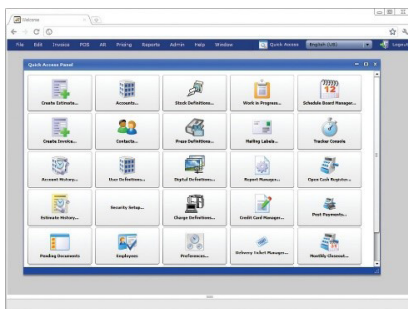

PrintNet Solutions — RICOH

Cloud-based web-to-print software that automates electronic print job submissions. Improve production print center operations with centralized cloud orders, workflow automation and real-time reporting.

- Forms Manager
- Design Tool
- JDF Compliant
- PDF Converter
- Automated Billing
- Secured Access

efi — PRINTSMITH VISION

Browser-based, scalable, customizable print management solutions to streamline operations, reduce cost, and provide visibility for success.

- Estimating & Quoting
- Order Management
- Financial Management
- Scheduling
- Shop-floor Data Collection
- Mobile Views
- Vision Dashboard
- Integrate Credit Card Processing

Designed For:

- Franchise shops
- Digital Print Shops
- Commercial Printers
- Inplant Print Centers
- Sign & Display Graphics Printers

efi — MARKETDIRECT STOREFRONT

Browser-based, scalable, customizable print management solutions to streamline operations, reduce cost, and provide visibility for success.

Purposed-built to empower:

- Commercial printers
- Inplant print centers, packaging printers & converters
- Franchise print network
- Sign and display graphic printers
- Corporate marketing and communications teams
- Enterprise commercial printers
- Site Building Tools

- Personalization
- Customer management
- Marketing Tools
- Inventory Management
- Shipping Management
- Ecosystem
- Reporting & Analytics
- Integration & Data Exchange

efi — FIERY GRAPHIC ARTS PRO PACKAGE

What you see is what you print

Expert tools right on the Fiery server to identify and correct print production issues before they result in rejected jobs and wasted clicks

Features included:

- Fiery Image Viewer
- Fiery Spot Pro
- Fiery Preflight Pro
- Fiery Postflight
- Fiery Control Bar

Software Productivity Solutions

Fiery JobFlow
Prepress workflow automation software

Automate prepress workflows to produce ready-to-print files that increases productivity and reduce costs.

efi jobmaster

Advanced PDF-based make-ready document assembly for higher print productivity.
Media assignment, chapter definition, advance page numbering, fully visual tab insertion and design, finishing, scanning, and powerful late stage editing features.

efi AUTO-COUNT 4D

Shop Floor data management for Print & Packaging Industries
Automatically gather, analyze, and review shop floor production data to make strategic business decision that positively impact print, packaging, or corrugated workflows.

efi IQ Dashboard
For display graphic printers

**Get a quick overview of the current state of your printers**
Total number of jobs printer – Total length and area printed – Print utilization Status of each print – Ink usage by color – Device Configuration.

IQ Dashboard
Visualize today's key production metrics
