#### FOR IMMEDIATE RELEASE

Atlantic Tomorrow's Office to Host Groundbreaking Event on Al and Business Analytics for Print Industry.

**Newark, NJ, October 2, 2024** – Atlantic Tomorrow's Office proudly presents *Bringing A.I. and Business Analytics to the Forefront of Your Print Business* on October 10, 2024, at the Prudential Center. This event will explore the pivotal role of artificial intelligence and business analytics in driving the future of industrial and commercial print.

Attendees will gain invaluable insights from expert speakers and panelists on integrating AI technologies to optimize productivity, streamline operations, and elevate profitability.

# **Event Highlights:**

**Keynote Session 1: Unlock the Future of Direct Mail – Supercharging Your Printshop with AI**Presented by David Rosendahl, MindFire This session will delve into how AI can revolutionize direct mail production by enhancing workflows, automating design processes, and implementing predictive maintenance. Participants will walk away with strategies to improve efficiency, reduce costs, and ensure future-proof business operations.

**Keynote Session 2: Maximize Efficiency and Profitability – The Power of MIS Systems for Printing** Presented by Heather Willovit, Ricoh USA This session will focus on the benefits of implementing a robust Management Information System (MIS). Learn how centralized workflows, automated tasks, and real-time data insights can streamline operations, enhance profitability, and improve customer satisfaction.

**Panel Discussion: Industry Trends That Move the Needle** Featuring Bob Neubauer (NAPCO Media), Andy Griffin (Premium Color Group), John Cruser (Bloomberg LP), and Timothy Freeman (Print & Graphics Communication Association) This interactive panel will explore the latest trends in commercial and industrial printing, offering insights into market shifts and emerging technologies. Attendees will have the opportunity to ask questions and learn how to adapt their businesses to the evolving landscape.

### **Event Details:**

Date: October 10, 2024
Time: 12:00 PM – 5:00 PM

Location: Prudential Center, 25 Lafayette Street, Newark, NJ
